Product Availability

Barring the below mentioned products, which would be fully or partially TNA for Oct' 25, there are adequate quantities of other SKUs available for sale. No other TNAs are forecasted based on current status.

Non-Availability of a product at a Shop (PUC, XPP) may not necessarily mean that the product is TNA, it would most likely be available for Home Delivery from the respective Warehouse. Such situations could occur in rare instances due to replenishment cycle from City/State Warehouse to Shops.
